## Meet "Delta" Company

"Delta" Company is a reserve component of a navy cargo handling battalion (NCHB-14) in Port Hueneme, California. Several reserve-based NCHB's report to the larger Navy Expeditionary Logistics Support Force (NAVELSF) in Virginia.

Annual hands-on training is typically conducted in historic Williamsburg, VA. In addition to training, NCHB and related companies support strategic operations and exercises in the United States and overseas.

"Delta" Company has mobilized once in support of Operation Iraqi Freedom in 2004, and is fully prepared if called upon again. Take a moment to meet the service members of "Delta" Company and keep them in your thoughts.

Current Anti-Terrorism Awareness guidelines, unfortunately, do not allow unit members to be fully identified for security reasons. Their identities and sacrifices are, nonetheless, acknowledged by friends, co-workers, and family.
